UPFRONT

SHAWN WEST, EDITOR

First up this month is a thank you to everyone that sent in Newsletter material at the October BoD. The result for this issue was much better than more pictures of my bike.

With the UpFront paragraph this month is a before / after picture of the cover photo. I see many pictures through the months that would of made a good cover photo but just doesn't fit. If you are taking good, clear shots at your events and runs and want to maybe see your pic used keep in mind a couple things.

One, most cameras need to be spun sideways to get the right aspect ratio.

Two, leave room at the bottom of the photo for the bottom header and room up top for the top header, "Freedom" and our state eagle.

I've got a blank template, seen on the left, that I use to fit pictures. If you'd like a .png or the stock GIMP file of the blank template to see what works best for your camera just email the newsletter to get one sent.

And that's about it for this month. See you in December!

The books everyone is RAVING about!

I wrote these books so riders have good, solid information before hiring an attorney or dealing with the insurance company.

Knowledge is power and we know accident victims often want information before talking to a lawyer. We give books away freely because we believe in educating the riding community before they talk to lawyers.

The big out-of-state lawyers (you know the ones) are just referral services at their core. Unless a lawyer is based in Washington, you'll likely be shuffled off to some lawyer you've never heard of. Don't let them play a shell game with your attorney choice. That's the fast track to a bad lawyer for your case.

Worried about paying your medical bills or how long it'll take to get back to work so you can pay your rent or mortgage? Read my books now, BEFORE talking to insurance companies or any lawyers!

Do yourself a favor...

Go with the guy who wrote the books – call LOCAL attorney Max Meyers who wrote the "Accident Secrets Unlocked" book series for Washington residents.

MAX MEYERS LAW™
Where Accident Victims Get Help

What our clients are saying...

Getting rear-ended on a motorcycle while stopped at a crosswalk was a pretty ugly experience, but the legal end of it doesn't have to be noxious. **Write down this pro tip for settling auto (and especially motorcycle) road accident cases: just phone Max.**

I was referred to Max Meyers Law by a trusted friend, fellow rider and writer Dave Preston. Pretty sure I owe Dave dinner for that. Dave wrote the book ("Motorcycle 101") on basic street motorcycle skills, and Max wrote the book on getting through an accident recovery with your body repaired and your wallet intact. It's called "Motorcycle Accident Secrets Unlocked."

He runs a small shop; you get his personal attention, and he carefully walks you through every detail of your case. He also understands motorcycle accident litigation like no one else in Washington. Thanks Max Meyers Law. Truly outstanding work.
- Jack Lewis (jaxworx.com)

While on his way home from work on his motorcycle, my husband had a pick-up truck turn in front of him causing a catastrophic accident. A fellow Harley rider came to me and spoke very highly about Max Meyers. I called Max the morning after the accident and he came to the hospital to talk with us. **Max showed true compassion as we spoke about the accident and made us feel completely at ease. It felt like we were talking with a friend.** We hired Max immediately! Whenever we called Max with a question, it was Max that answered the phone and he always had an answer! We are very pleased with the outcome and highly recommend Max Meyers!
- Kristi and Rickey Freeman

I hired Max after I was run off the road on my motorcycle by a car in February of 2016. After meeting with several attorneys, Max proved not only to be the **most experienced in motorcycle crash cases,** but was also professional and realistic. He never made any unrealistic promises and has always kept me up to date on the progress of my case. In addition, Max was the perfect liaison between the insurance companies and medical insurance, making sure my interests came first. **I have and will continue to recommend Max every chance I get.**
- Bryan Hall

From the State Coordinator

Lyle Coyle

Well a few more days and the elections will be done, I hope everyone has done their due diligence and voted and with a little luck we now have the right people in Olympia to get some motorcycle legislation passed.

We are doing better at getting more new members in ABATE of Washington so I am going over the structure of ABATE. Even though there are state officers and chapter officers we are all ABATE of Washington which is a membership run organization that has a group of state executive officers that handle the day to day business that needs to be done. We have a set of bylaws and policies that we are governed by (these are on our website) and the only people that can change a bylaw is the members, bylaws are extremely hard to change so many of our bylaws have been in place from the beginning. The way ABATE works are chapters are sent a BOD (board of Directors) packet with an agenda for the BOD meeting that will have items in that need a chapter vote. The chapter will let their chapter coordinator know how he/she should vote on these items at the upcoming BOD. At the BOD all members of the Board which are the Chapter Coordinators, Ambassador at Large, NCOM Ambassador, State Treasurer, State Secretary, and the two State Deputy Coordinators will vote to pass or fail said items, the State Coordinator does not get a vote unless there is a tie. This is why you as a member are encouraged to attend the chapter meetings so your voice can be heard.

Another thing about ABATE of Washington is we are all volunteers, no one gets paid to do a job. Volunteers are able to be reimbursed for their expenses that are authorized by chapter or state. When there are chapter events everything is done by the chapter committees, there is no state involvement with the exception of the state bylaws and policies and all reimbursements are determined by the chapter. At state events members are asked to volunteer as everyone is a member of the state, chapter Sargent at Arms are required to provide security at all state events per our state by laws and reimbursement is paid out of the state treasury. No one gets paid to do a volunteer position but a good member will volunteer when able to do so.

Success is not final, failure is not fatal: it is the courage to continue that counts.

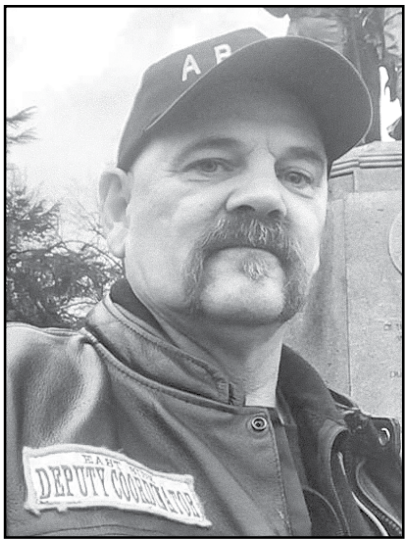
Public Relations

Susan “Stars” Carson

With a new year approaching fast, I would like to thank everyone for your input for advertising ideas. As many events are being planned within your Chapters and our yearly State events I am constantly trying to find more avenues to reach out to the general public to increase awareness of our organization. If any of your Chapters would like help with advertising or you have ideas on reaching more people for our current events, please feel free to contact me.

Senior Deputy Coordinator

Scott Robinson



Members, ECOM continues to work on membership in the coming months you will see and hear more about our efforts, we are not waiting for something to happen we are working on progress with new members and supporting our current members. Our last effort to support our current members was bringing LAO's to STEAM providing training and paying for the rooms. LAO position is important to our success. These are the up and coming Legislative soldiers of ABATE turn to them for information in regards to the bills we are working and who to contact in your districts.

Big thanks to Limp Lee, He and I worked out a trade for a booth at the Oyster Run in Anacortes. Doug Bowers, Jenny Rogers and myself manned the booth we made contact with hundreds of motorcycle riders and sold ABATE products. The big question of the day, "What or who is ABATE of Washington?"

Hard to believe we have been in business 40 years and that many people have never heard of us. Time to work on advertising. This has to be corrected if we want to continue to move forward as the leader for motorcycle rights in the state of Washington. This will be discussed at the Oct. B.O.D.

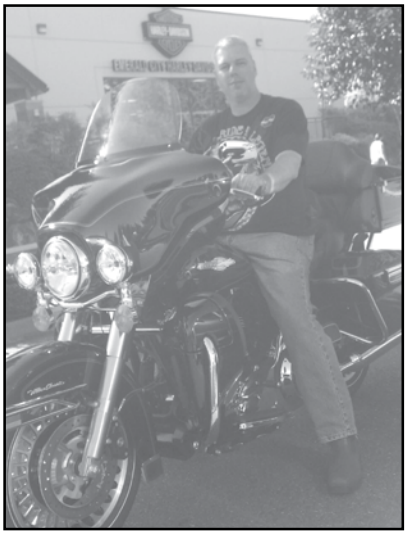
We still have a target of 2000 members state wide by January 2019. Last count we were in the 1900s with an interesting note that one chapter has over 400. Spanaway is blowing the rest of us off the road as they continue to grow. Great job! The entire Chapter deserves recognition.

The subject of how many bills we should run each year is a constant subject among the members. I say more is better it gives us credibility in the eyes of the public if we are only pushing the helmet bill the motorcycle community and many of the members have to wonder if we are a serious legislative group. There are many issues associated with motorcycle riders that need attention and the more the public and the other riders see that we are addressing all of these issues the more we will grow as an organization.

Just got home from the Central Washington Chapter meeting we have 3 new members. looking forward to introducing the new folks at the October B.O.D.

Ambassador At Large

Ron Scott



Hello all. Elections are over and it is time for STEAM. I hope everyone is able to go and learn about Abate. I will be helping Kate Scott with Steam. I know Steam and the BOD will be over with when you are reading this article, but hopefully not forgotten.

I will be working on getting a new chapter started in the Vancouver area. If you know of anyone that would be interested joining in that area please give them my name.

With the election changes in the chapters, It is in all our best interests to work together and strengthen Abate of Washington. We need to continue to keep present members and to sign up new members. Without the membership, the chapters would cease to exist as would Abate. What we must all do is work together.

Legislative Affairs Officer

Brian Lange

November 2018 Legislative Report

As many of you may, or may not know, the reason that I was unable to write last month's legislative report was because I was with my wife Robin as she lay dying in the hospital. And I just couldn't even begin to focus on ABATE's legislative issues at that moment. Two weeks before she died, and she was still at home, I had two separate events that I was supposed to attend and meet with legislators. While I had no idea just how sick she was, or I wouldn't have gone to either, Robin insisted that I go to both events and help push ABATE's agenda and build support for it.

So I went to a meeting with Senator Christine Rolfes (23rd District) in her offices at the Capitol, and laid the groundwork for a five-year pilot program bill that would study the effects of helmet choice within Washington State. In other words, if the bill passes, it would give us five years of choice on the wearing of helmets. If after three years the data doesn't show any drastic unexplainable increase in fatalities and head injuries, ABATE would have two years to work the legislature to extend or simply remove the sunset date on the bill. If Robin hadn't insisted, we might not have gotten the Chair of the Senate Ways & Means Committee (one of the most powerful committees in the Senate) to agree to Prime Sponsor the bill.

Two days later, again with Robin telling me she was okay, and that I needed to go, I attended an event with many members of the State House and Senate, and other dignitaries. While there I was able to discuss ABATE's efforts with many legislators. It was during these discussions, that I was able to get a working agreement with 31st Dist Represntative Morgan Irwin to sponsor for our parking bill again if he wins the election. As well as an agreement from one Representative from the 35th District, Dan Griffey, to be either a prime or co-sponsor of a companion bill to Sen. Rolfes Helmet Choice bill. Which one he would be would depend on whether the Republicans acquire the two seats in the House to take the majority, or the Democrats retain the seats. Either way, Representative Griffey agreeing to sponsor such a bill and work it is a definite plus for ABATE. Dan Griffey is a firefighter/EMT in Mason County. Because of his job experience, he thinks everyone should wear a helmet. But, he also believes an adult should have the right to choose for themselves. He considers it a personal choice, personal safety, personal property type of issue. So he can support a person's right to choose whether to wear a helmet or not. Even though he personally believes a motorcyclist should always choose to wear one.

Even when Robin was so sick that she couldn't make our chapter meeting for only the second time in her five years as chapter Treasurer, she still made it known that she was running for Treasurer again because that is how important ABATE and all of our work had become to her. When she passed only eleven days later we used a photo of her for her Celebration of Life event photo. In it she is sitting on a bench at the Capitol taking a breather, and smiling that mischievous grin of hers. She was having a ball, because she knew she was working to help the motorcycling community. She knew ABATE was working to help people exercise their freedoms, and that meant it was worth getting as involved in the effort to get legislation fought for as it was to raise money for charity. Robin did what she was asked to do, usually with a smile on her face as she was doing it, and would do whatever she was able to do to help ABATE.

That is the sort of attitude ABATE needs to motivate in more members. We don't have to be legislative experts, but even just helping to pass out 147 legislative packets before Black Thursday can be a huge help. So can spending a few hours getting signatures on bill sheets throughout the legislative offices trying to get additional sponsors for bills before they are pre-filed in December. Or even sitting in the Columbia Room on Black Thursday and passing out informational sheets to people as they head out to their meetings. One of the best things you can do is to pass the word about ABATE's legislative efforts. Tell every motorcyclist you see about Black Thursday, and how important it is to ride to the Capitol and stand united as one community. No matter what anyone rides, or whether you are an independent or a 1%er. We are a broadly diverse community, and we need to come together for common ground issues or face the fact that our political influence in numbers will be washed away by special interests with deep pockets, and who could care less about our freedoms.

Robin was right. ABATE does work to help people exercise their Liberty and their Rights. It doesn't matter if it is the freedom from paying the $25, four thousand pound minimum "weight fee" for recreational vehicles (including motorcycles) when you register them since July of 2016. Or, the freedom to park a motorcycle rear wheel toward a curb in Washington State without the risk of getting an "illegal parking" ticket. Or even the liberty to be able to decide whether to lane split or not when freeway congestion has traffic down to a 25 mph or less crawl. And yes, ABATE is even working to bring Washington motorcyclists the freedom to exercise their right to choose whether or not they personally feel the ride they are embarking on should require the wearing of a helmet or not.

Be like Robin was. Volunteer to help do whatever you are able, to help ABATE's fight to protect and defend the freedoms of Washington State's motorcycling community. It can be a lot of work. But the more members who step up and put in the effort, the easier the work is to carry out. Together ABATE can do amazing things legislatively. But if only a few step-up, we may become totally ineffective. It's up to you.

Catch you on the road sometime...

Chapter Rep Region 1

From DOUG BOWERS, REGION 1 REP - COLUMBIA GORGE - GRANT COUNTY - KITTITAS COUNTY - SPOKANE - TRI-CITIES

Had a great ride up to Anacortes to the Oyster Run. Scott Robinson, Eastside Deputy Coordinator, Jenny Rogers, Products, Val Roberts and myself, Gorge Chapter LAO, were hosted by long time friends Jeff and Janet at their home. Limp Lee provided both space for ABATE, both to sell products and raise awareness about ABATE. Huge thanks to those folks!

We were looking to make contact with sport bike riders and many were there. It was astonishing to us that many we talked to asked "what's ABATE?" or had no idea ABATE was pursuing anything but helmet repeal. There was much interest in the parking bill, tab fees and lane sharing, hopefully we'll get some interest from these riders.

There are 220,000 registered motorcycles in the state of Washington, our membership in ABATE is a bit south of 2000, that's less than 1% of the total. Just think of what we could accomplish with a 10% representation. ABATE of Washington and all the chapters put on great runs and support our chosen charities but, have we lost the focus of our primary mission? Have we become a social organization instead of pursuing our legislative work? To accomplish our legislative goals we need to swell our numbers. Talk up ABATE with every rider that you meet. Let them know the bills we're pursuing both statewide and at the federal level.

Ride Safe! ◊

Elk Country Chapter

From ALICE BROWN, SECRETARY

MORTON - Here we are at the season of thankfulness. Hard to believe this year is flying by so fast. As I reflect on the things I am thankful for, a significant portion are associations with my brothers and sisters in Elk Country. What a wonderful group of caring people. We are grateful to Brian whose time and effort made Elk Country a reality. All of us are saddened by the loss of Robin, a founding member who was the spark behind the formation of Elk Country.

A warm welcome to our newest member, Hillbilly.

Some of our members were able to participate in the Richard Todd Memorial Ride. They reported a good time with weather that managed to cooperate. By the time this goes to print we will have celebrated Elk County's 5th Anniversary in style.

The new year promises to be full of activity and will keep our Coordinator, Shane, busy for sure. Ideas for rides flowed at our recent business meeting. We'll be hosting the 14th annual "Mt St Helens" run on May 19th. The "Three Pass "and "Rock and Libby" pre-run are on the calendar and we are working to find a date for a new ride to benefit Guide Dogs of America. August events will include the "Hippie Dave Party/Dick Mapes Bike Show", and an "End of Summer" run on the 31st.

Robin Lange (photo: Brian Lange)

We are trying to locate our chapter banner—it's about 3' by 6'. We loaned it out for a display and it has not traveled back to us. If any of you have knowledge of its whereabouts, please call our coordinator number as listed in the front of "Freedom".

Looks like fun for next year. Already longing for the sun to come back.. ◊

Tacoma Chapter

From LEON "TREAD" STAUB, COORDINATOR

TACOMA - Happy Turkey Month Everyone! Lots of stuff coming up in the next couple of months to help out folks for the holidays. It's a great time of year to reflect on how the year went, how we can make next year better and how we can help those who are less fortunate than we are.

October was fun, we had a great time at the STEAM BOD meeting getting our minds filled with ways we can be better participants in ABATE. ABATE is a working organization, and we need to be active to make sure that the legislation that will help us will be considered properly by our legislature. It's the most important reason that ABATE is around, but that doesn't mean we can't have a good time while we do it, so we had a great time with fellowship at STEAM/BOD.

We also had a great time co-hosting the Halloween Party with Spanaway. We always have a great time, and we always want to thank Spanaway for all the effort that they put in to help us all have a great time.

Over November and December, we will be collecting toys to contribute for the John P. Scapes Memorial Toy Run. Please help us collect and participate in our Toy Run, currently scheduled for December 8th, keep an eye out for the flyer for more details. We'll also be helping to support the Seniors at Orchard Park with Santa For Seniors, which is currently scheduled for December 9th with Spanaway. Please help us support both of these fantastic organizations, and share in the great time visiting with them.

I hope you all have a chance to find sometime to support those who could use a little more help during the holidays. They will always appreciate it, and it makes you feel good to be able to help folks out.

Hope to see you all at these events, and look forward to winding down this year and getting excited about 2019. ♢

Sky Valley Chapter

From HIGHWAYMAN (ROGER HANSON), DEPUTY COORDINATOR

SNOHOMISH - Well here we are getting ready for the holidays once again. That means Sky Valley chapter adopts a few family's in need and bring Thanksgiving dinners and then get the Christmas list for the kids. Then we return (with Jim dressed as Santa) with Christmas dinners and presents for all. This is something our chapter has done every year and every year it makes me proud to be part of Sky Valley. Speaking of our chapter we realized a almost 50% increase in our membership this year! For Spanaway that would mean they would have to have signed up over 150 new members! Just sayin' as our growth for the percentage may be the largest of ABATE of Washington this year. Well it's not raining today so guess I'll fire up and go for a spin! See you all, "In the wind." ♢

Olympia Chapter

From STACEY "REBEL B" OESTRIECH, COORDINATOR

OLYMPIA - Happy November from our chapter to yours! Chapter elections are over and all new officers are in place and looking forward to S.T.E.A.M. training.

The holiday season is approaching us fast and that means the Olympia Toy Run is coming and we are very much looking forward to seeing everyone there rain or shine. The run flyer with all the information is in the newsletter for your convenience. Please remember the Toy Run provides toys for kids of all ages so donations of a wide range of age appropriate toys are needed.

I trust everyone exercised their right to vote this year, there were quite a few important issues this November.

Olympia chapter also starting preparations for our annual Bike Blessing in April and taking suggestions for other fund raisers and runs for the chapter.

Hope you had a Happy Halloween and upcoming Thanksgiving. ♢

North Kitsap Chapter

From AMY DOYLE, CHAPTER NEWSLETTER

POULSBO - Greetings from North Kitsap! I would love nothing more than to report on this years Oyster Run, (would have been my 1st), but this year WSDOT (1) NK ABATE (0). We braved the weather, but the ferry broke down in Port Townsend!! Shannon made it over early and was able to represent the chapter and her business, but the group meet up came to a halt at breakfast. It's not about the destination, but the ride!

As some are gearing down from another beautiful fair weather riding season, we are reviving up for one of our favorite, (and largest) annual events! It's toy drive time and we will be kicking it off with a little thing we call "The Wing Ding!" What's a Wing Ding, you ask? Well, come on over and find out! Live music, FREE chicken wings, a fabulous raffle, all at a great venue. The only thing that can make it better is for YOU to be there, love to see ya! Thursday November 8th 6pm-9pm Garage Bar & Grill 6812 Kitsap Way, Bremerton, WA. 98312. Several hotels nearby and if you have not had a Bloody Mary at the Garage, well you have not had a Bloody Mary! Please see our colored full page add on some other page in this missive.

The Wing Ding supports our annual toy drive for Harrison Medical Centers. If you think you may want to come out and be a part of the magic of the toy delivery then save this date: Sunday December 9th 12:00-1pm staging at Harley Davidson 9625 Provost Rd NW, Silverdale, WA 983839625 Provost Rd NW, Silverdale, WA 98383 You don't need to bring a toy, but there is nothing more awesome than a biker with a toy strapped on their bike going down the road.

We have some new officers taking over duties. To those stepping down, Thank You for your service! You have left some big shoes to fill. Filling those shoes are:

Coordinator -Jim McVey
Deputy Coordinator -Todd Beesmer
Treasurer - Jodi Maras
Secretary- Anna Jewell
Membership -Monika Scotti

Other things of note that we sadly report on is:

~Robin Lang's memorial service dinner on 11/3/18 at the Lion Hall @ 301 Knittle Way Morton, WA. Please come and pay respects and reflect with others who knew and loved them.

~Don Jackson downed on Hwy 16 -please send get well wishes if you know them. We hope you a speedy recovery brother.

~Catheryn Friddel & Soshie Medera -We wish you Godspeed and RIP, this chapter remembers you and sends their love

I look forward to sending future monthly reports and keeping everyone updated on the the happenings in our chapter. See ya down the road! ♢

Tri-Cities Chapter

From KATHI BOLTON, CHAPTER LAO

KENNEWICK - Great year for riding has come to a cold end. But look at it this way. Now that we're not on the bikes as much it leaves time to work on those laws we use and wish we had.

We should be hearing soon who has been elected. Let those relationships start. Call them up and congratulate them on their win! Setting up a meet and greet. All this will help when we call up the end of December and schedule our 15 minutes January 17th, 2019! It'll be here before we know it.

Right now I'd like to introduce you to your new Tri Cities ABATE Coordinator Joseph Chief Alvarez. Very familiar in the biker world and well spoken. I expect great things and know I won't be disappointed.

Returning as Secretary is Lynn Sloan. Great for some continuity. And lastly Sherri Pierce as Treasurer. It great to see people step up when needed.

I'll continue as LAO for the Chapter. Thanks all. It's been a great ride but now family calls. ♢

Mason County Chapter

From JAMES WARD, COORDINATOR

SHELTON - Hello once again from beautiful Mason County. My favorite month of September is gone and here we are well into October. That's fine with me. Fall is here and winter is coming whether we like it or not, so just bring it on.

Not a whole lot going on this time of year in Mason County. Mostly just winding down the riding and getting ready for all the upcoming family oriented events that accompany Veterans day, Thanksgiving and Christmas. Currently we're developing a plan to distribute toys and maybe some other necessities to families that need a little assistance this time of year. I'd like to thank Dickie and Jenna Adams and Diana Olmstead for spearheading this event.

Just a couple other things worth mentioning. We had our chapter elections last month and all the current board members were re-elected to their current positions, so congratulations to Rob, Mary & Sara. Another thing worth mentioning is the installment of the Adopt-a-Highway Litter control sign recognizing Mason County Chapter of Abate. The sign can be viewed in the northbound lane of Hwy 101, just north of Hurley Waldrip Rd before the Little Creek Casino. I'm sure it will soon become a famous destination and photo opportunity point of interest for many a group ride.

Be safe. ♢

Self-explanatory. (photo: Mason County Chapter)

Lewis County Chapter

From PAUL MORDICK, COORDINATOR

CHEHALIS - Hope everyone had a good Halloween. It's always fun seeing the kids dressed up in their costumes. Having leftover candy isn't so bad either.

The Christmas season is upon us. We do a food drive that supports the Lewis County Food Bank Coalition during the year. Our main event though is the first two Saturdays in November. We set up in front of Shop N' Kart Fullers in Centralia and collect non-perishables. Our local Toy Drive will be November 17th. We will collect donations and toys for local kids.

Enjoy your Thanksgiving this year. See you all at the Olympia Toy Run December 1st.

Be safe out there and watch out for those that aren't. Check out our website (www.LewisCountyABATE.org) for more information about our Chapter and upcoming events. ♢

Columbia Gorge Chapter

From TRAVIS HERSEIM, CHAPTER NEWSLETTER

GOLDENDALE - This month the Columbia Gorge Chapter has new officers in our Coordinator (Terry Arthur), Deputy Coordinator (Jay Findley), Treasurer (Micki Robinson) and Secretary(Michele Roberts) positions as well as a new author (Travis Herseim), for our monthly newsletter. A sprecial thanks to all former officers that have served.

In addition to all that for the month of October we are lifting a toast to former Chapter Secretary Lori Baranovich at our monthly bike night.

To finish the month off we will be participating in the Annual Trunk or Treat on Main Street. We have a space on Main Street set up for us to have our bikes and cages parked to give out treats to the local kids as they come by. Lots of fun for the community. ◊

Around this time of the year we get ready for our Black Thursday event. It's what we do.

Be safe out there and look twice. ◊

East Pierce County Chapter

From JOE CAIN, DEPUTY COORDINATOR

BUCKLEY - Greetings from East Pierce County Chapter. As Autumn takes over, and the temperature starts to drop, make sure to stay safe out there, whether on two wheels or in a cage. We have lost too many good people. Halloween has many parties coming up, and STEAM and BOD were very informative and a total blast. Hope to see you on the road, or at an event soon! ♢

SPOKANE - October was our last scheduled event for the year. During the 6th our Spokane Chapter did a Benefit Run for the "Free Handyman for Disabled Veterans." Thanks also to everyone that helped put the run together and sent in pictures after. Look to the December issue for more pics from the run.

Looking down the road we will be finalizing our event calendar dates for 2019 during this month's meeting. What's on the menu so far:

March - Motorcycle Show Booth
April - Benefit Ride
May - Awareness Ride
